Webcast: MLops

Olá Comunidade,

Você sabe como funciona o MLops? Após atingir o desafio de aplicar Machine Learning na sua empresa. Como operacionalizar os algoritmos? Para saber mais, participe do Webcast "MLops" às 11h (BRT), apresentado por [Luciano Kalatalo](#)

The banner is split into two main color sections: a teal gradient on the left and a dark blue gradient on the right. On the left, there's an orange arrow pointing right with the word 'WEBCAST' in white. Below that, 'MLOps' is written in large white font. A circular profile picture of Luciano Kalatalo is shown next to the text 'Apresentado por LUCIANO KALATALO Consultor em Tecnologias InterSystems'. The InterSystems logo and tagline 'Creative data technology' are at the bottom left. On the right side, three white icons are stacked vertically: a calendar icon next to '17 de Agosto', a clock icon next to '11h às 12h (Horário de Brasília)', and a location pin icon next to 'Online'.
